Press release n°11, 6 May 2005

LIFE AHEAD FOR ONESELF

George Morris, trainer of the American team in La Baule, 67 years old, and Patrick Caron, former trainer of the French team for more than 15 years, was thanked at the end of 1999 and became a private trainer:

"Me, I've been recalled four times" says a philosophical Morris to Caron.

"Today I am the American trainer for the fifth time in 27 years (he coached his first American team in 1978 in France). So, you have life in front of you to make a comeback."

To which Patrick Caron responded with disconcerting spontaneity, *"Oh never again!"*

"Yeah, why?"
