VAN GEENBERGHE ON HIS OWN TO HOLD UKRAINE

He was initially an entrant side by side with Gregory Wathelet, but finally Jean-Claude Van Geenberghe, from Belgium, will be the single rider to compete in order to hold the Ukrainian colours.

As for Steve Guerdat, the young Swiss man who used to ride Alexander Onischenko's horses, patron of the Ukrainian team, he announced that he intends to keep his Swiss nationality and to leave this new team. Having no horse left, he is not competing in La Baule.
