**LA BAULE, DU 4 AU 7 MAI 2006**

Press release n°4, 3 May 2006

**SWEDISH TEAM'S STATUS**

Maria Gretzer entries the riders of her team to the first classes of the « Officiel de France » : *"I am a team leader as well as a rider. Tomorrow, Henk Nooren (Hol) will arrive. He is now our trainer and we work in tandem. Malin Baryard and I are the mainstays of the team for the WEG and with Rolf-Goran Bengtsson too, who will join us for the Super League in Aachen (17<sup>th</sup> -21<sup>st</sup> of May) because he needs to rest a little after the World Cup in Kuala Lumpur. For sure, we are a small group, and not especially well equipped to compete in the Super League, but we will try to do better than in 2004 (Sweden was retrograded to the Coupe des Nations route that year). We still can count on Peter Frederiksson and Royne Zetterman who are assisting us here. We hope to make a good start in La Baule : our horses are in a very good shape".*
