EPHEBE FOR EVER*LA SILLA IS SCRATCHED

The French Christian Hermon will not ride his lead horse Ephèbe For Ever*La Silla in the Grand Prix Longines de la Ville de La Baule. « We are convinced that he twisted his inguinal canal yesterday, just before or during the "Coupe des Nations" (this explains his impressive score of 9 +17). This has initiated lumbago. He is not in danger, but for now I just walk him quietly and I will enter Montebello in the Grand Prix ».

Montebello*La Silla is a big black stallion westfalian of 11 years old owned by Alfonso Romo.
