WHY "BOSTY" IS NOT IN THE TEAM

French rider, Roger-Yves Bost, initially chosen by the national coach to be in the French Samsung Super League de France – FEI team at La Baule with Idéal de La Loge, finally decided not to compete. His stallion was suffering from mud fever on a fetlock during the last week of competition in Arezzo (Italy) in April. The horse took some time to get over this *"which meant I couldn't train as planned. All being well, I'm going to enter the Grand Prix Longines de la Ville de La Baule on Sunday and he'll be back in the French team following that if the national coach wants us"*.
