THE JUMPING INTERNATIONAL DE LA BAULE - OFFICIEL DE FRANCE CELEBRATES IT'S 65TH ANNIVERSARY WITH THE PUBLIC!

For this anniversary edition, the Jumping International de La Baule - Officiel de France aims to offer its spectators an even more immersive and festive experience!

For more than six decades, the event has brought together the greatest legends of equestrian sport and has written some of the finest stories in world sport. Over the years, the La Baule competition has established itself as one of the major fixtures on the international calendar, while the enthusiasm of its spectators has become truly legendary.

It therefore seemed only natural that, to celebrate this anniversary, the event would choose to put its spectators in the spotlight by inviting them to take part in a Dance Cam for a few moments. Broadcast live on the giant screens, the crowd will be encouraged to show their enthusiasm and let themselves be carried away by the music, sharing spontaneous, fun and convivial moments while trying to keep the camera focused on them for a chance to win a gift that will undoubtedly make their visit to the Stade François André unforgettable!

Only one appearance on the big screen per day and up to four possible winners a unique opportunity to take part in celebrating the 65th anniversary of the Jumping International de La Baule - Officiel de France! So let's bet that every spectator will unleash the inner Michael Jackson sleeping within them!
